

## **Your vision statement:**

**To create a culture of mentoring within our community in order to provide enriching experiences for our Mentees and Mentors.**

## **You have four students on your waitlist:**

Henry likes to play basketball and baseball. He doesn't care about school, but he's really interested in welding and is good at math.

Jessica's preferred pastime is to solve puzzles and play brain games. She is relatively shy but opens up when asked about her hobbies.

The life of the party, Alex can always be found in the middle of her friend group making everyone laugh. Sometimes she gets in trouble as the class clown, but excels in schoolwork and gets good grades.

Thomas is sometimes described as eccentric and quirky. Not afraid to ask questions, Thomas is intrigued with the way the world works and regularly talks about the science fiction books he reads.
